Good morning Sharon,

I will be attending the Maryland MHP inspections and can coordinate attendance, as well as times and dates of the inspections with the contractor (Jake Albright from PG) once they have been finalized.

Tentatively, we are looking to perform the Boones WWTP and Lyons Creek inspection on Wednesday November 4. Exact times and dates will be confirmed after Jake contacts the facilities this week.

Would you let me know if MDE inspectors would like to attend these inspections, and if so, can you send me their contact info?

Sincerely,

Shane M. McAleer, P.E.
